

A Thanksgiving Prayer

God, Abundant Giver,
We gather in gratitude with those we love,
and those who show Your loving face to us.

We are thankful today not just for the gifts of food,
family, and friends,
but for the blessings of courage and community
that sustain us on our journey of creating a Church
of equality and justice.

We are thankful for your Spirit
who moves among us,
who inspired the prophetic women
who came before us,
and who calls people of all genders
to a priesthood
that serves Your people in love and joy.

As we pause to give thanks,
May our gratitude inspire us
and compel us to keep moving forward,
knowing that You bless our efforts
and sustain us on the journey.

Women's Ordination Conference.

Amen.
